

## **Safeguarding and Welfare Requirement: Health**

Where children are provided with meals, snacks and drinks, they must be healthy, balanced and nutritious.

### **6.6 Food hygiene**

#### **Policy statement**

We provide and/or serve food for children on the following basis:

- Snacks (fruit, cheese, biscuits, bread, cereal, pasta, soup etc.) and drinks (milk, water).
- Packed lunches

We maintain the highest possible food hygiene standards with regard to the purchase, storage, preparation and serving of food. We are registered as a food provider with the local authority Environmental Health Department.

#### **Procedures**

Members of staff who have completed Food Hygiene training, prepare and deliver food to the children.

Food hygiene trained staff ensure food deliveries are suitably stored.

- All our staff follow the guidelines of Safer Food, Better Business.
- All our staff who are involved in the preparation and handling of food have received training in food hygiene.
- The kitchen is included as part of the daily risk assessment including keeping a daily record of the fridge temperature.
- We use reliable suppliers for the food we purchase.
- Food is stored at correct temperatures and is checked to ensure it is in-date and not subject to contamination by pests, rodents or mould.
- Packed lunches are stored in a cool place; un-refrigerated food is served to children within 4 hours of arriving at Pre-school.
- Food preparation areas are cleaned before and after use.
- There are separate facilities for hand-washing and for washing-up.
- All surfaces are clean and non-porous.
- All utensils, crockery etc. are clean and stored appropriately.
- Waste food is disposed of daily.
- Cleaning materials and other dangerous materials are stored out of children's reach.
- Children do not have unsupervised access to the kitchen.
- When children take part in cooking activities, they:
  - are supervised at all times;
  - understand the importance of hand-washing and simple hygiene rules;
  - are kept away from hot surfaces and hot water; and

- do not have unsupervised access to electrical equipment, such as blenders etc.

### *Reporting of food poisoning*

Food poisoning can occur for a number of reasons; not all cases of sickness or diarrhoea are as a result of food poisoning and not all cases of sickness or diarrhoea are reportable.

- Where children and/or adults have been diagnosed by a GP or hospital doctor to be suffering from food poisoning and where it seems possible that the source of the outbreak is within our setting, the manager will contact the Environmental Health Department to report the outbreak and will comply with any investigation.
- We notify Ofsted as soon as reasonably practicable of any confirmed cases of food poisoning affecting two or more children looked after on the premises, and always within 14 days of the incident.

### **Legal framework**

- Regulation (EC) 852/2004 of the European Parliament and of the Council on the Hygiene of Foodstuffs

### **Further guidance**

- Safer Food Better Business (Food Standards Agency 2011)
